

**BOARD OF TRUSTEES  
CARSON CITY SCHOOL DISTRICT**

**POLICY No. 905  
COMMUNITY**

**RELATIONS WITH PARENTS**

~~The Board believes that the education of children is a joint responsibility, one it shares with the parents of the school community. To insure that the best interests of the child are served in this process, a strong program of communication between home and school must be maintained.~~

~~The Board encourages programs of parent-school cooperation and supports the activities of the Carson City Council of Parent-Teacher Association.~~

~~For the benefit of children, the Board believes that parents have a responsibility to encourage their child's career in school by:~~

- ~~a. — supporting the schools in requiring that the children observe all school rules and regulations, and by accepting their own responsibility for children's willful in-school behavior;~~
- ~~b. — sending children to school with proper attention to their health, personal cleanliness, and dress;~~
- ~~c. — maintaining an active interest in the student's daily work and making it possible for the student to complete assigned homework through providing a quiet place and suitable conditions for study;~~
- ~~d. — reading all communications from the school, and signing and returning them promptly when required; and,~~
- ~~e. — cooperating with the school in attending conferences set up for exchange of information on the child's progress in school.~~
