CARSON CITY SCHOOL DISTRICT**

**POLICY No. 908
COMMUNITY**

SOLICITATION OF STAFF MEMBERS

No individuals or agencies are permitted to solicit school district employees on school property for any purpose without prior permission of the Superintendent and the building principal or supervisor.

Under no circumstances shall the individuals or agencies granted such approval interfere, solicit, discuss or meet with school district employees during pupil contact time or regular work hours. Where pupil contact times or work hours vary, the principal or supervisor will be responsible for establishing the proper time for individuals and agencies to meet with the employees under their supervision.

No employee rosters or directories will be issued to any individuals or agencies for the purpose of soliciting employees.
