2023-2024 School Binder Supply List

Required Materials for the school binder by Monday, August 14, 2023.

This will be set up during Advisory.

2" Wide Binder	The binder will be used to gather all paper materials in all classes -- including Advisory.
School planner- Planners are provided when the materials fee is paid for a student.	Students should place their planner in the binder to help them stay focused on assignments for each class. Students will practice using the planner in every class.
One pack of 8 Dividers	Each divider separates the work for each class. Each class divider should be labeled and placed in the same order as the student's schedule.
One Pencil Pouch with zipper	By keeping writing materials in the same location, students can complete assignments faster in class.
Inside the pencil pouch: 5 pencils, 5 pens 2 highlighters, and 1 pack of erasers	These materials are placed into the pencil pouch. More materials can be provided in the pencil pouch if necessary.
One pack lined paper	To be divided between all classes.
One folder	The folder is to hold all homework for all classes and must be contained within the binder.
One ruler	To use for math, science, and art assignments.
One calculator 6th grade (basic calculator) 7th and 8th grade (scientific calculator)	To use for math and science assignments.

- Teachers may also require additional materials for their classes.
- The binder will be created during the 2nd week of Advisory.
- These materials help students become more organized and prepared for all classes.
